Statutory Assessments

I am very proud to tell you that our children have achieved fantastically in all of the statutory assessment tests this year.

- Our reception children have achieved above the national average for GLD (good level of development)
- Our phonics pass rate in Y1 of 87% is above the predicted national and authority average.
- KS1 (Y2) results are in line with the predicted national average
- KS2 results are well above both authority and national predicted averages in all subjects.

Thank you

Score in tests are important but they are not the be all and end all of education. We want to take this opportunity to say "Thank you" to all our children for their hard work, their positive attitude to learning and for the optimistic upbeat energy they have brought into school this year. The progress and development across all year groups this year is amazing. We are very proud of every one of you.

Year 1 trip to Blackpool Zoo

Yesterday I received a lovely surprise email I wanted to share with you:

"I've just spent the day at Blackpool Zoo. There were lots of school groups visiting, there always is. But today they seemed very excited and almost out of control. I just thought I'd drop an email to say how well behaved your children were. They were a credit to your school.

Have a lovely well deserved holiday

Regards

Rachel (an ex secondary teacher)"

We know how wonderful all our children are but it is so lovely when a member of the public takes the time to send this. Very well done Y1s and all the adults who so kindly arranged the trip and came with you.

At Lowton J & I we aim for all children to have 96% attendance or over.
