### Open Morning

On Friday 26<sup>th</sup> May 2017, we will be holding our termly Open Morning for parents between 9.00-10.00am. You are very welcome to visit your child's classroom during this time to look at their books and some of the work displayed around the room. The staff will also be available for an informal chat. I appreciate that you have to wait after dropping your child off for the doors to reopen but this is to allow us to take registers, order dinners and ensure all normal day to day routines are completed. With effect from the next academic year we will be varying the days we hold our Open Mornings in response to a suggestion on our annual parents' questionnaire.

### Sponsored Bounce Tuesday 22<sup>nd</sup> May

Our PTFA are again organising school's annual sponsored bounce. This is always a popular event with all of the children and helps the PTFA to raise funds for school. Although they hold several fund raising events throughout the year, I think this is the one the children enjoy the most ☺. Please support the PTFA by helping your child to collect sponsorship. We are extremely grateful to the PTFA for all their hard work, the funds help to provide all of our children with those "little extras" the school budget can't stretch too.

**Thank you for all your support**

### Hats and Suncream

As we have been experiencing some lovely, sunny and hot weather please can you ensure that your child has a suitable sun hat in school for use at playtimes and also suncream. These should both be clearly labelled with your child's name. If you would like to purchase one of the school baseball style hats at a cost of £5.00, we have some available from the school office. Let's keep our fingers crossed for a glorious Summer. ☺

### Parking

We have received a complaint from Foilco regarding parents parking both in, and across the entrance to their carpark at drop-off and pick-up times. They have asked us to inform you that they have employed a firm of clampers and anyone found parking on their land or across the entrance to it will be clamped. When parking around school please ensure you park considerately and appropriately. Thank you for your support in this matter.

### Years 1, 3 and 4 Author Workshop

We are looking forward to having the author Ross Montgomery in school on Tuesday 5<sup>th</sup> June to work with the above year groups. If you have not already done so, please can you arrange to send in your contribution as soon as possible. Thank you.

### Y6 High School Return Forms

We have been contacted by all the local High Schools to advise us that there are still quite a few outstanding data forms for the current Year 6s. Please can you ensure that you return the data forms to your child's choice of High School as soon as possible. Thank you.

At Lowton J & I we aim for all children to have 96% attendance or over.

The school's overall attendances for each year group are:

Year Group	Last Week	Yearly Attendance to Date
