Dear All

I hope everyone is well.

Well he's kept us all waiting, especially a very impatient Miss Crosbie, but Isaac Thomas finally decided to put in an appearance on Wednesday evening. Mum, dad and big brother Elliott are delighted with their new arrival and Mum and baby are doing well and are now back at home. Huge congratulations to Miss Crosbie and her newly extended family! Isaac may have taken his time making his appearance but I'm sure you'll all agree he is gorgeous.

We are just putting the final touches to our updated "Parent Procedures" for when we all finally come back to school in September (we can't wait to see everyone) and will hopefully publish these on the website later today. We are going to post everyone a paper copy out to ensure you all have an opportunity to read it. This will arrive with the children's annual report and a "Meet the Teacher" information sheet for the academic year 2020-2021.

The rules may seem a bit complicated but there are stringent guidelines and risk assessments we need to follow. Our overriding objective is to ensure that whilst providing our usual high standard of education we do so in the safest environment possible for our whole school community and minimise the risks of a COVID-19 outbreak.

I appreciate the document is quite long but it is really important that you take the time to read it. The headlines are:

- School reopens to all in September and attendance is mandatory
- Staggered drop off and pick up times
- Limited access to school site
- One way system in place inside and out
- No Breakfast or After School Clubs for now

Obviously, the guidance may evolve further as we continue to move through the pandemic and we will be in touch over the Summer break if any material changes are necessary.

Below you will find our Yearly Dates planner (version 1) for September 2020, (further dates to be added in due course). We will of course continue to run school in line with government advice and guidelines. These dates are therefore subject to change at short notice. Please always check the website and latest newsletter for the most up-to-date information.
